Dear Author,

Thank you for your work on *International Journal of Interactive Mobile Technologies*. Attached is one set of page proofs of your article. Please make special note of any queries included in your PDF. We must have answers to these queries before considering the article finalized.

Please review these pages carefully, make any necessary changes, and send back the article with corrections as scanned proof or as Acrobat comments to us within **two business days** to ensure timely publication of your article.

At this stage, we reserve the right to limit changes to matters affecting accuracy of content, not style. If your article contains equations, please check the PDF carefully to ensure that they have been reproduced correctly.

Upon receipt of your corrections we will process them and send you a revised PDF. Your quick review of this corrected PDF will be needed since we will be very close to our publishing deadline.

Please do not email the original word file containing your corrections. We cannot efficiently process corrections this way and it may delay

Please do not email the original word file containing your corrections. We cannot efficiently process corrections this way and it may delay the publication of your article. You may also list corrections in an email that correspond to the PDF you receive from us, noting page number and location on the page.

We will be including the corresponding author's email address at the end of your bio on the first page.

Please note that this proof is the last opportunity to make corrections; no more modifications will be possible once the issue is published.

If you would like assistance with any questions or comments you may have, please feel free to email. Kindly confirm receipt.

Thanking you!
