**Dear Dr. Semuel**

I hope you are doing well!

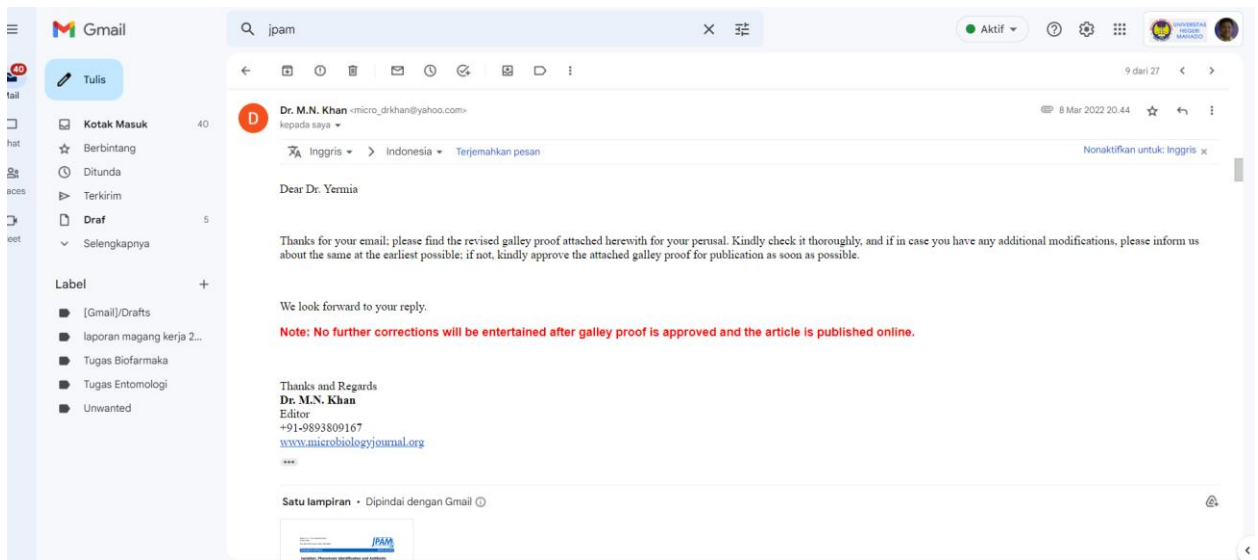

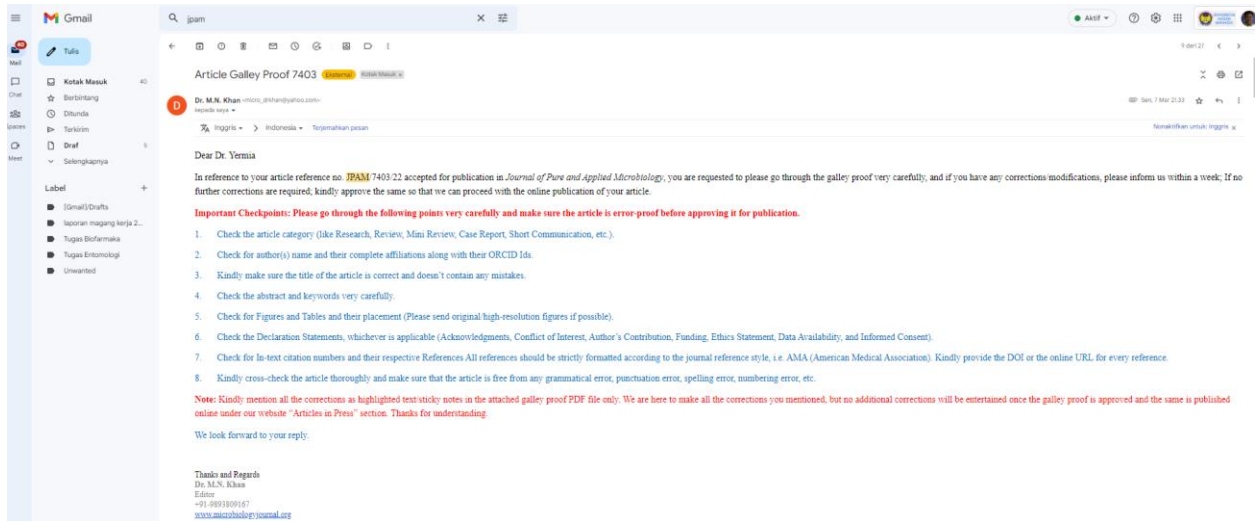

We would like to inform you that your article reference Number JPAM/7403/2021 has been published online for its online discoverability "Ahead of the Print" in full-text HTML and PDF format under our website "Articles in Press" section. You can read, download, share, cite and promote your article through the unique DOI link: <https://doi.org/10.22207/JPAM.16.2.02> (Please share this with all the co-authors of the article as well).

The articles will be assigned to their respective Vol./issue by midnight of June 1, 2022.

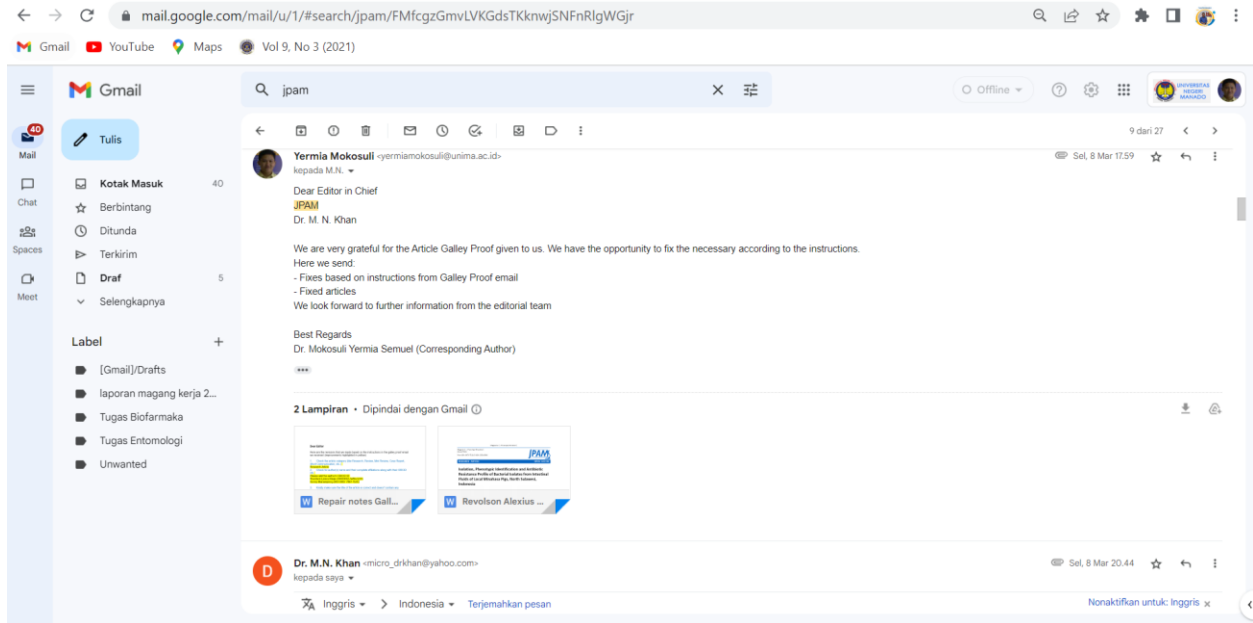

**Note:** Please share all the co-author's email addresses with us so that we can send the final publisher version article PDF to them once published and also keep them posted regarding the citations and impact of their articles.

Thanks and Regards  
**Dr. M.N. Khan**
